The 2017 Camp Scholarships will be awarded on a **first come - first serve basis**. The amount of the award is

dependent upon annual gross household income and the total members living in the household.

The Progressive Center anticipates many campership requests; therefore, no applications will be accepted after the deadline of Friday, March 31, 2017, at 4:30 p.m. **We strongly urge families to return application and required documents early, funds may run out before deadline.**

Questions to ask the Camp Director

Before enrolling a child in a summer camp program, parents should ask the camp director the following questions:

- ✓ What is the ratio of campers and counselors?
- ✓ What percentage of campers and staff return to the camp each year?
- ✓ How is staff screened? Are references checked for all staff having access to children, including aides and drivers?
- ✓ What is a typical day's like; is it structured?
- ✓ How will the camp deal with the specific needs of my child?
- ✓ How is medication distributed and by whom?
- ✓ What type of medical insurance does the camp carry?
- ✓ Ask for a typical menu. Is there a snack area/cafeteria?

- ✓ If a mainstreamed camp, have they had children with disabilities before? How was the situation handled and was it successful?
- ✓ Ask for the location of the local hospital.
- ✓ Who does my child go to if he or she has a problem with his or her counselor?
- ✓ What is the camp's refund policy?
- ✓ If the children will be picked up by a bus or van, will there be someone other than the driver to provide supervision?
- ✓ What is the policy regarding who can get onto the campgrounds?
- ✓ What is the policy about picking up and dropping off children? Can any one pick up my child without my permission?
