A TASTE FOR SUCCESS

CORK & KEG EDITION

6 FOOD GOURMET STATIONS - 5 CRAFT BEERS - 5 WINES - 1 CAUSE

TOGETHER WE CAN EMPOWER PEOPLE WITH DISABILITIES
Dear Guests,

On behalf of the Board of Directors, it gives me great pleasure to welcome you to the 2nd Annual Progressive Center for Independent Living’s A Taste for Success. We hope that you enjoy yourself and learn more about our organization.

Over the past 21 years, Progressive Center has helped pave the way for Mercer and Hunterdon County residents of all ages living with disabilities. Through various grants, donations, fee-for-service programs and other fundraising efforts, our agency has been able to help over 6,000 individuals with disabilities to live independent lives and become productive participants in our local communities.

Thanks to all who participated last year’s Taste for Success event we were able to raise $7,500 for our various programs and scholarships. These scholarships are awarded to individuals with disabilities to live and maintain independence within our communities. Recent awards were given to assist with tuition and books for college classes through the Colleen Fraser Scholarship Fund. Other programs funded include the “Dish’n on Nutrition” program, which provides mini courses on healthy meal choices and cooking lessons and the Ready to Achieve Mentoring Program, our high-tech career-focus mentoring program.

We cannot do our work without your support. We are glad that you joined us today and hope that your support will continue in the future.

Thank you to all our sponsors who have helped make this event possible. Have a great day and enjoy yourself!

Norman A Smith
President

2 PM - 6 PM

The Barn at Gravity Hill in Titusville, NJ

CHEERS FROM THE PROGRESSIVE CENTER

Last call will be 5:30PM, band will play until 6:00 PM
WHAT IS THE PROGRESSIVE CENTER?
The Progressive Center for Independent Living, Inc. (PCIL) is celebrating 20 years as a leading private not-for-profit community based organization, providing services to people with disabilities in Mercer and Hunterdon Counties. PCIL, founded by individuals with disabilities and family members of people with disabilities, in Ewing, New Jersey in 1996, dedicates its mission to advocate for the rights of people with disabilities to achieve and maintain independent lifestyles.

WHAT DOES THIS EVENT SUPPORT?
This year’s event proceeds will go towards supporting our wonderful programs and scholarship funds: STUDENT TRANSITION SERVICES, EMERGENCY PREPAREDNESS FOR FIRST RESPONDERS, ACCESSIBLE COMMUNITY RECREATION, SUMMER CAMP SCHOLARSHIPS, and the COLLEEN L FRASER SCHOLARSHIPS.

SOME INTERESTING FACTS
The disability market represents 1.3 billion people globally who face challenges. Equivalent in size to the population of China, the disability market represents an annual disposable income of $1 trillion—and $544 billion in the US alone. When you include friends and family, this adds another 2.3 billion people who control an incremental $6.9 trillion in annual disposable income. Consumers that care about the disability market are increasingly directing their loyalty, and their consumer spending, to companies that demonstrate action inclusive of people with disabilities—as employees and as customers. Mercer and Hunterdon Counties have a local disability population of 99,000, add family and friends and the opportunities for marketing your product and recognition are endless.
COUNTY LINE IPA - FIVE HOP INDIAN PALE ALE
This is Neshaminy Creek's flagship IPA which has a bready malt backbone to counter some of the hop bitterness from a five hop combination of Warrior, Chinook, Columbus, Simcoe, and Centennial hops. This brew has been dry hopped for nearly two weeks. County Line IPA has a lingering hop bitterness showing a complexity of resinous pine notes, citrusy lemon, and grapefruit that many IPAs on the East Coast lack. 6.6% ABV and available year round.

CROYDON CREAM ALE
Often called your typical American lawn mower beer, cream ales are not unlike their American light lager cousin. Brewed by Neshaminy Creek Brewery with American 2 & 6 Row Barley, Flaked Maize, a touch of Munich malt, and sugar, Croydon Cream Ale is light, refreshing, and easy to drink. They also use American Cluster and Czech Saaz hops that give it a touch of hop bitterness and a hint of floral aromatics.

HIGHWATER HEFEWEISZEN
This is Neshaminy Creek Brewery's version of an authentic Bavarian wheat beer. Brewed with nearly 60% white wheat, Pilsen malt, and a touch of Munich for color and flavor, they ferment this beer with an authentic German Hefeweizen yeast that gives it a distinctive fruity banana flavor and aroma matched with a light spicy clove finish. German Hallertau and Tettnanger hops are used exclusively in this brew making this beer as truly German and authentic as possible for a beer brewed outside of Munich.

ZIGGY ZAGGY OKTOBERFEST LAGER
Märzenbiers are malty, smooth, clean, and rich lagers that have a distinctive malt backbone and complexity for a style that can be so understated. Brewed with German Munich and Pilsen malts as well as German Hallertau and Tettnanger hops, this distinctive brew is conditioned at cold lagering temperatures for five months. This is a true Oktoberfest offering, one that is prominently featured during the Oktoberfest celebration at the Neshaminy Creek Brewery, and at 5.2% ABV it's a crisp, smooth, and easy to drink beer perfect for chilly fall nights.

ALEXANDER VALLEY MERLOT - ESTATE CELLARED
Vibrant red-orange color with aromas of plum and blackberry. Full body with well structured tannins. Flavors of plum, vanilla, and dark cherry with a soft and supple finish. Refined in large French oak casks for 15 months and aged in bottle for six months. Great with grilled and charred meats. Enjoy also with pasta dishes and polenta. Serve at room temperature.

CHAMBOURCIN
Medium-bodied and generously fruity. Displays a strong varietal character with hints of cherries, plums, and raspberries. Enjoy with pasta, pizza, and red meats. Serve at room temperature.

PINOT GRIGIO
Light-bodied with a delicate fruit bouquet of peaches and limes, our Pinot Grigio displays a dry, crisp, and fresh flavor that complements lighter style cuisine. An outstanding companion to poultry, seafood, salads, and pasta with light red sauces. Serve chilled at 45 degrees.

VIDAL BLANC
Light-bodied and slightly sweet, our Vidal Blanc is a crisp and fruity wine with accents of apples, pears, and grapefruit. A great aperitif wine! An excellent complement to chicken, veal, and fruit salads. Serve chilled at 45 degrees. Percent of sweetness: 1%

WHITE MERLOT
Light-bodied with a delicate bouquet of peaches and pears. Complements light meals and desserts. Great with appetizers and fruit salads. Serve chilled at 45 degrees. Percent of sweetness: 6%
