

Hamilton Pet Pantry – Food assistance for pets

It's a Ruff Life Rescue offering pet food resources to Hamilton and surrounding towns:

We know the next several weeks may be Ruff... that's why we've teamed up with Bag of Bones Barkery and some incredible manufacturers to offer the Hamilton Pet Pantry. Anyone in Hamilton, NJ and surrounding towns who might need help feeding their dogs and cats is welcomed to apply for assistance. We will do our best to make sure you have a high quality, nutritious diet for them for as long as supply allows and/or this crisis lasts.

All food is brand new and coming directly from the manufacturing facilities. All safety measures and precautions are being followed.

Those interested should apply directly through It's a Ruff Life Rescue, application, and food will be distributed based on need, weight, size and availability.

Once approved, pickup instructions (including dates and times) will be provided via email. Please note that food is arriving to the pantry this coming week (March 30 - April 3), so if you apply and are approved early, volunteers may not be able to immediately assign you product. Please be patient and allow us time to get the pantry organized so we can best assist those in need.

We know in times like these, there is a lot of uncertainty, and that this is when we need each other the most. We want you to know that we're here for you and your pets.

Your friends at It's a Ruff Life Rescue
