2021 Mercer County Summer Campership Award Program

Managed by
The Progressive Center
for Independent Living
(609) 581-4500

Made possible by a grant from Mercer County, Summer Campership provides supplemental funding for youth ages 4-25 living with disabilities to attend Summer activities.

HOW IT WORKS

The Summer Campership program provides an award of \$85-\$400 to each eligible applicant, depending on their household income.

The award can be applied toward enrichment activities for the applicant which take place between 5/31/21 and 9/6/21

Families or individuals can be reimbursed for the cost of the activity or the activity provider can be paid directly (if they agree to that arrangement ahead of time).

No awards are paid until the youth has completed the activity and proof of attendance and payment or invoice for balance have been provided.

Any cost over the amount of the award is the responsibility of the family or individual.

Once your application is received and eligibility determined, you will receive notification verifying the award amount.

You must contact the program you want to attend PCIL does not register individuals for camps or other programs.

Awards are given on a first-come, first-serve basis.

TIPS FOR SELECTING ACTIVITIES

It is important to ask questions of the activity provider to make sure it is right for you or a loved one!

Some examples:

- What is a typical day like; is it structured?
- How will the activity deal with the specific needs of my child?
- What type of medical insurance does the company carry?
- How is staff screened?

For more tips, or help with finding activities please contact PCIL at (609) 581-4500 / info@pcil.org
