Made possible by a grant from  
Mercer County

Summer Campership provides  
funding for youths ages 4-25 liv-  
ing with disabilities to attend out-  
door summer activities.

## HOW IT WORKS

The Summer Campership program provides an award of \$85-\$400 to each eligible applicant, depending on their household income.

Once the completed application you will be notified by mail of your award amount. (incomplete applications will delay the process)

The award can only be used for *outdoor enrichment activities* for the applicant from Memorial through Labor day.

Families or individuals can be reimbursed for the cost of the activity or the activity provider can be paid directly (family must notify us of these arrangement ahead of time).

No awards are paid until proof of attendance and payment is provided. (This is the responsibility of the family, not PCIL)

Any cost over the amount of the award is the responsibility of the family or individual.

\*\*\*You must contact the program you want to attend PCIL does not register individuals for camps or other programs.

Camperships are awarded  
**first-come, first-serve.**

## TIPS FOR SELECTING ACTIVITIES

It is important to ask questions of the activity provider to make sure it is right for you or a loved one!

Some examples:

- ✓ What is a typical day like; is it structured?
- ✓ How will the activity deal with the specific needs of my child?
- ✓ What type of medical insurance does the company carry?
- ✓ How is staff screened?
